

TRUCK DRIVING (CDL CLASS A - PROFESSIONAL) - PROGRAM OUTLINE -

The trucking industry is indispensable to the American Economy. Today, there is a severe shortage of qualified truck drivers. According to industry sources, there are more than 120,000 truck driving jobs waiting. These jobs cannot be shipped overseas!

This program prepares you for entry-level jobs in the trucking industry. The skills and knowledge you acquire will position you to drive commercial vehicles over the road with confidence.

When you're done, we will help you with your first job. In most cases, you will have multiple jobs lined up. We will help you every step of the way.

We've been training and preparing individuals for careers in truck driving since 2006 – you can count on us!
